SECTION 3.1 Membership. The members of the Association shall consist of all owners of Member's Property and shall be all those persons or other entities as set forth in Article V of the Articles of Incorporation.

3.2 Classes of Membership. The Association shall have two classes of membership, Class A and Class B, each such Class consisting of those members meeting the applicable qualifications for membership in each respective Class, as set forth in Article V of the Articles of Incorporation.

3.3 Rights and Obligations of Membership. The members shall have all the rights, privileges, duties and obligations applicable to their respective Class of membership as set forth in the Declaration, the Articles of Incorporation, and elsewhere in these By-Laws.

3.4 Assessments. The rights of membership are subject to the payment of annual assessments and charges. The obligation of such assessments and charges is imposed against each owner of, and is a lien upon, the Member's Property against which such assessment or charge is made, as provided by Article III of the Declaration, which in substance provides as follows:

3.4.1 All Member's Property shall be subject to a continuing lien for assessments levied by the Association in accordance with the provisions of the Declaration, the Articles of Incorporation and these By-Laws. The annual assessments and charges together with interest thereon and the costs of collection thereof (including reasonable attorney's fees) as hereinafter provided, shall be a charge on, and shall be a continuing lien upon, the Member's Property against which each such assessment or charge is made. All Member's Property shall be held, transferred, sold, conveyed, used, leased, occupied, mortgaged and otherwise encumbered subject to all the terms and provisions of the Declaration, the Articles of Incorporation and these By-Laws applicable to Member's Property, including, but not limited to, the continuing lien herein described.

#### 3.4.2 Personal Obligation of Members.

Unless otherwise provided in a deed or other conveyance, each Member, by acceptance of a deed or other conveyance to Member's Property, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association the annual assessments and charges, such assessments to be fixed, established and collected from time to time as hereinafter provided. Each such assessment, together with interest and cost of collection, including reasonable attorney's fees, shall be the personal obligation of the person who is the owner of such Member's Property at the time when the assessment fell due.

#### 3.4.3 Purpose of Assessments.

The assessments levied by the Association shall be used exclusively for the purpose of providing any and all of the services and activities as may be to the mutual benefit of the Members, providing fire protection services to Riverchase, providing security for Residents and Members and property of Residents and Members; providing for garbage and waste collection and disposal, maintaining, operating and repairing of the Open Spaces, common recreational facilities, the lakes and roadway areas within Riverchase, the water and drainage system, waste water pump stations and other areas and structures beneficial or useful to the Member's Property, the payment of taxes and insurance on all property of the Association, and the repair, replacement and additions thereto, and for the cost of labor, insurance, equipment, materials, management and supervision thereof, for other purposes beneficial to the Members as determined by the Association, and for the purpose of carrying out the functions, purposes, responsibilities and duties of the Association. The Association does not assure that such services will be provided and nothing herein shall be construed as an obligation to provide any such services.

#### 3.4.4 Amounts of Annual Assessments:

The annual assessment applicable to Parcels shall be set by the Board of Directors of the Association as set forth in the Declaration.

#### 3.4.5 Effect of Non-Payment of Assessment;

Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eight percent (8%) per annum. The Association may bring an action at law against the member personally obligated to pay the same, or foreclose the lien against the Member's Property. No member may waive or otherwise escape liability for the assessments provided for in the Declaration or in these By-Laws by non-use of the Open Spaces or other areas

to which assessments are applied or abandonment of the Member's Property owned by such Member.

3.4.6. Subordination of Lien to Mortgages:

The lien of any assessment or charge authorized by Article III of the Declaration or this Article III of these By-Laws with respect to Member's Property is subordinate to the lien of any bona fide mortgage on such Member's Property if, but only if, all assessments and charges levied against such Member's Property falling due on or prior to the date such mortgage is recorded have been paid. The sale or transfer of any Member's Property pursuant to a mortgage foreclosure proceeding, or a proceeding in lieu of foreclosure, or the sale or transfer of such Member's Property pursuant to a sale under power contained in a mortgage on such property shall extinguish the lien for assessments falling due prior to the date of such sale, transfer or foreclosure, but the Association shall have a lien on the proceeds of such sale senior to the equity of redemption of the mortgagor. The foregoing subordination shall not relieve a Member whose Member's Property has been mortgaged of his personal obligation to pay all assessments and charges falling due during the time he is the owner of such property. The Board of Directors may at any time, either before or after the mortgaging of any Member's Property, waive, relinquish or quitclaim in whole or in part the right of the Association to assessments and other charges collectible by the Association with respect to such property coming due during the period while such property is or may be held by a mortgagee or mortgagees pursuant to such sale or transfer.

3.5 Suspension of Membership Rights. The membership rights of any Member, including the right to vote, may be suspended by the Board of Directors (a) for any period during which any assessment or charge owed to the Association by such Member remains unpaid, and (b) for a period not to exceed thirty (30) days for any infraction of the Association's published rules and regulations. Any such suspension shall not affect such Member's obligation to pay assessments coming due during the period of suspension and shall not affect the permanent charge and lien on the Member's Property in favor of the Association.

ARTICLE IV

VOTING RIGHTS

SECTION 4.1 Each class of membership shall have those voting rights as set forth in Article V of the Articles of Incorporation.

When entitled to vote, each Member shall have one vote for each Parcel owned by such Member.

When more than one (1) person (or other entity) holds an ownership interest or interests in any Parcel, the vote for such Parcel shall be exercised as they among themselves shall determine, but in no event shall more than one (1) person be entitled to cast the vote with respect to any Parcel. In the event of disagreement among such persons (or other entities) and an attempt by more than one to cast the vote of such Parcel, such persons (or other entities) shall not be recognized and the vote with respect to such Parcel shall not be counted.

5.3 Mortgages. The Association shall have the power to mortgage or otherwise burden or encumber all or part of its properties, provided that any such mortgaging or encumbering shall be authorized by a fifty-five percent (55%) affirmative vote, on a class basis, of the Members entitled to vote.

#### 5.4 Dedication or Transfer of Properties.

Vacancies in the Board of Directors shall be filled by the majority of the remaining Directors, any such appointed Director to hold office until his successor is elected by the Class A members or the Class B Members, as the case may be, who were entitled to elect the Director, at the next annual meeting of the Members or at any special meeting duly called for that purpose.

## ARTICLE VII

### ELECTION OF DIRECTORS BY CLASS A MEMBERSHIP

SECTION 7.1 Election of Directors. Elections to the Board of Directors by the Class A membership shall be by written ballot as hereinafter provided. At such elections, the Class A members or their proxies may cast as many votes as there are vacancies to be filled on the Board of Directors for each Parcel in which they hold any interest required for membership by Article V of the Articles of Incorporation, and such Member shall have the right to cumulate his vote and to give one candidate a number of votes equal to his vote multiplied by the number of Directors to be elected, or by distributing such votes on the same principle among any number of such candidates. The names receiving the largest number of votes shall be elected.

7.2 Nominations Committee. Nominations for a full slate of Directors for election to the Board of Directors by the Class A members shall be made by the Nominations Committee. The Nominations Committee shall consist of five

(5) persons appointed each year by the Board of Directors, two (2) of whom shall be Directors, and three (3) of whom shall be non-directors. Members of the Nominations Committee shall be appointed each year by the Board of Directors at least sixty (60) days before the date on which the election for the members of the Board of Directors is to be held, and the slate of Directors to be nominated by the Nominations Committee shall be nominated at least thirty (30) days before the date of such election. No member of the Nominations Committee shall be eligible for nomination for the Board of Directors by such Committee.

In addition, nominations for the Board of Directors may be made by petition signed by more than twenty (20) members of the Association, provided that such petitions are filed with the Secretary of the Association at least thirty (30) days before the date of the meeting at which the directors are to be elected.

7.3 Ballots. All elections to the Board of Directors shall be made on a written ballot which shall: (a) describe the vacancies to be filled; (b) set forth the names of those nominated by the Nominations Committee for such vacancies and those nominated by petition timely filed with the Secretary of the Association; and (c) containing a space for a write-in vote by the Members for each vacancy. Such ballots shall be prepared and mailed by the Secretary of the Association to the Members at least fourteen (14) days in advance of the date set forth therein for a return (which shall be a date not later than the date for the annual meeting or special meeting called for election).

7.4 Voting Procedures. Each Class A member shall receive as many ballots as he has Parcels in which such member holds an interest required for membership by Article V of the Articles of Incorporation. Each Member shall indicate next to the name of each nominee on the ballot the number of votes he casts for the election of such nominee to the Board of Directors, or shall write in the name of a person not so nominated in the space on the ballot provided for this purpose, together with the number of votes he wishes to cast for said person. All ballots shall be signed by the Member casting it and returned to the Secretary of the Association, who, upon receipt of each ballot shall immediately place it in a safe or other locked place until the day set forth for the annual or other special meeting at which the elections are to be held. On that date, the ballots shall be turned over to an Elections Committee which shall consist of five (5) Members appointed by the Board of Directors. The Elections Committee shall then adopt a procedure which shall:

7.4.1 establish that the number of ballots turned in by each Member correspond with the number of Parcels owned by such Member or his proxy identified on the ballot; and

7.4.2 establish that the signature of the Member or his proxy on the ballot is genuine; and

7.4.3 if the vote is by proxy, establish that a proxy has been filed with the Secretary as provided in Article XII of these By-Laws and that such proxy is valid.

Said procedure by the Elections Committee shall be taken in such a manner that the vote of any Member or his proxy shall not be disclosed to anyone, including the Elections Committee.

If any ballot is found to contain more than the number of votes which the Member signing such ballot is entitled to cast, all votes on such ballot shall be disqualified and shall not be counted. After the announcement of the results by the Elections Committee, unless a review of the procedure is demanded by thirty-five percent (35%) of the Members casting ballots in the election within ten (10) days after the election, the ballots shall be destroyed.
